WHY HYPERTHERM POWERMAX?

Powermax is the world's most versatile family of portable plasma cutters, delivering maximum productivity and unmatched reliability. With the industry's most extensive handheld and automated cutting, marking, and gouging capabilities, you can confidently tackle any job with superior cut quality and minimized secondary operations – at a lower total cost of ownership. Easy to use. Versatile. Reliable.

You're worth the investment.

Valid for purchases on or after April 1, 2025.

INVEST IN POWERMAX AND CLAIM YOUR GIFT CARD NOW
